SUBJECT MATTER

A

Agricultural land
see Assessment, classification for; County zoning; Non-urban land; Tax delinquency, rural
"An Answer by Mr. Aldis".....97-98
"Apartment House Bonds: Some Plans for Reorganizing Defaulted Issues," by Carrie Maude Jones.....358-367
bondholders' committees.....360
cash payment to bondholders.....362
causes of default.....359
readjustment of principal and interest.....363
Assessment
classification of rural lands for
in North Dakota
general requirements for..... 10
method for..... 11
see also Building obsolescence; Recreational land, development and taxation of
Automobile taxation
see Motor contract carriers; Railroad taxation

B

"Behavior of Utility Prices, The"..... 89
Bondholders' committees
see Apartment house bonds
Boulder Dam.....227, 336
"Building Obsolescence and the Assessor," by John E. Burton.....109-120
causes of obsolescence.....110
magnitude of problem.....112
obsolescence and assessment.....116
obsolescence and depreciation distinguished.....109
obsolescence and taxation.....115

C

Capital ratios
see Expense and capital ratios
Capital structure
see Holding corporations
Chicago
see Subdividing activity and population
City planning
see High building; "Minor Street"
"Commission Regulation and Home Rule in Ohio," by Ben W. Lewis.....207-214
Competition
see Los Angeles Bureau of Power and Light; Value of the service
Conservation
see Iowa Conservation Plan; Oil Proration
Consolidations
see Holding corporations

D

Depreciation
see Building obsolescence; Expense and capital ratios
"Depreciation by the Insurance Method," by J. F. Brennan.....16-24
comparison with sinking fund method..... 21
method developed..... 18
Depression
see Apartment house bonds; Utility prices, behavior of; Wholesale electric business
"Development and Taxation of Recreational Land," by George S. Wehrwein and Robert F. Spilman.....340-351
"Development of Commission Regulation of Public Utilities in Ohio, The," by Edwin T. Hellebrandt.....395-409
"Do We Want Scientific Regulation?".....314-317

E

Economic planning
see Tennessee Valley project
Electric Bond and Share Company
see Service contracts in
Electric rates
residential, in Wisconsin
comparison by population groups..... 38
methods and assumptions..... 37
see also Uniform rate areas; Value of the service
Electric utilities
see Electric rates, residential, in Wisconsin; Expense and capital ratios; Los Angeles Bureau of Power and Light; Municipal ownership; Tennesee Valley project; Wholesale electric business
Employment
see Forestry and
"Expense and Capital Ratios of Wisconsin Electric, Gas, Telephone, and Water Utilities, 1927-1931," by Barclay J. Sickler.....57-62
capital turnover ratios..... 61
depreciation ratios..... 59
operating expense ratios..... 57
tax expense ratios..... 60

F

Farm land
see Assessment, classification of rural lands for; County zoning; Tax delinquency, rural
Flood control
see Tennessee Valley project
Forest land
see County zoning; "Forestry and Employment;" Non-urban land; "Property Tax as an Obstacle to Private Development of Idle Forest Land;" Recreational land, development and taxation of; Tennessee Valley project
"Forestry and Employment," by W. N. Sparhawk.....145-149
forest utilization provides jobs.....145
forest work and community stability.....147
forest work and unemployment relief.....148
"Further Discussion of the Los Angeles Gas and Electric Case".....92-95

G

Gas utilities
see "Depreciation by the Insurance Method;" Expense and capital ratios
Government, cost of
see Non-urban land, regulation of

H

Height limits
see High building
High building
financial problems of....32, 33
future control of....30
height limits....26
inner versus outer courts....30
setbacks....28
towers....27
Holding corporations
and risk segregation
consolidation and investment account manipulations....165
insulation of, from liabilities of subsidiaries..150
insulation of subsidiaries from liabilities of holding companies....152
insulation policies, when dominant....154
intercorporate loans....169
milking devices....162
weaknesses of risk structures....162
see also "Service Contracts in Electric Bond and Share Company"
Home rule, and regulation of utilities in Ohio
advantages of home rule....211
division of jurisdiction....208
effect of divided jurisdiction....212
implications of divided jurisdiction....209
situation at origin of home rule....207

I

"In Defense of George B. Ford's *Building Height, Bulk and Form*"....95-97
Insurance method
see Depreciation
Integration
see Holding corporations
